Science: We will be investigating living things and their habitats.

RE will focus on Christianity and Judaism in Britain today.

Computing: Examining the role of spreadsheets in computing with hands-on sessions creating simple spreadsheets.

Art: We will explore the life and works of Paul Cezanne with a practical focus on his still life works.

PSHE will focus on emotions and healthy minds.

French will focus on vegetables.

Music: The genre “Reggae” with a focus on the song “Three Little Birds” by Bob Marley and The Wailers.

PE: Every Thursday afternoon. Please send your children to school wearing their PE kit and trainers on these days. They will remain in these clothes for the entire school day. Please see the school website for the correct PE kit.

Swimming lessons will be on Tuesday mornings with the last session of the half-term on 11th February. Your child will need an appropriate swimming costume and towel, contained in a draw string bag. Please see the school website for appropriate swimming kit.

Homework: The children have their homework grid in their green homework books. Please encourage your child to complete one piece of homework per week. These will be marked and returned on the same day wherever possible. We will be using some of the homeworks to populate our Topic Display so please encourage neat presentation.

It is of great benefit to the children to work alongside an adult so please guide them if they need help.

Spellings and Tables: Spellings and tables tests are on Thursdays. Please spend time with your child learning these in preparation. They will also bring home the work they are to learn on Thursdays.
