and giving. The gifts of love  
you bring is great.  
Thank you. God Bless

Divine Buzz is a one stop shop  
for families. They have supported  
my family with food, activities,  
swimming, weekly club for children.  
They are a great resource and  
the community will be lost  
without them.  
More wins for Divine Buzz.  
😊

## Black History Celebration

Our heartfelt gratitude to the National Lottery Community Fund for their generous support of our Black History Month celebration. Your contribution played a pivotal role in the success of this important event.

This year's Black History Celebration was a joyful event in our community; it was wonderful to see many faces from the community. We had about one hundred children and adults attending. Everyone enjoyed the activities and the performance. Most of the audience said they can't wait to come next year.

The celebration provided a platform to honour and highlight the rich history, culture, and achievements of the Black community. Your support enabled us to organise meaningful activities, engaging workshops, and inspiring performances that resonated deeply with participants.

We look forward to the possibility of collaborating with you again in the future to continue making a positive impact.

## Christmas Hampers

The Christmas hampers couldn't have come at a better time for the community. Amid the ongoing high cost of living, most people were so glad and grateful to receive a bag of rice, cooking oil, chicken, and vegetables for their Christmas. Your support has truly made a difference in the lives of many this holiday season.

The hampers, filled with essentials and festive treats, brought joy and relief to numerous families who might otherwise have faced a challenging holiday period.

Your kindness has not only provided tangible items but has also spread warmth and hope within our community. Through your support, 150 families received hampers that made their Christmas better and a joyful one, thanks to the National Lottery Community Fund.

**We say a big thank you to the National Lottery for their support**
