

The 2024 Oak Ridge Horse Show Association, Inc. Scholarship

The Oak Ridge Easter Horse Show was established in 1946 as an event to raise money to build a new Methodist church. It was such a success that it continued each year as a fund raiser for local charities, organizations, scholarships and community projects. The show ran consecutively for 60 plus years before it disappeared for a while. It was resurrected by the Oak Ridge Horse Show Association in 2020 and the show returned in 2021. The Oak Ridge Horse Show Association is committed to preserving this annual event for generations to come.
