

How do we even begin to thank the greatest body of believers for their abundant help for the 2020 Faith Life Motorcycle Rally...there just are not enough words to convey our appreciation for all that you provided including time preparing for the Rally and then on the day of the Rally. We would like to send a few individual thanks to our great volunteers:

To our planning committee: [Deborah](#), [Holly](#), [Lana](#), [Twila](#), and [Tricia](#), we thank you and your families for allowing you to spend so much of your time organizing such a smooth and beautifully orchestrated event. We received many compliments of how wonderfully everything flowed together to bring about such a great outreach.

To our setup crew of about 15 folks: Thanks for hanging in there until the job was done Friday night. Not only did everything look great, but it was set up to impress all the guests that may have had high expectations. 🍷 [Ray](#) and [Twila](#) used their own truck/trailer to pick up the chair rentals. 🍷 [Nick](#) was able to fix the stage wall too!

To our security team: The fruit of your labor was easily seen, as there were no issues and the Bikers felt very safe through all aspects of the day. What a relief to know that you had our backs! [Kevin](#), you were our main greeter and communications "go to" guy who not only found an answer to any and all of our questions, but you spent a very long day with a baby and serving with a smile! The protective efforts of 🍷 [Nick](#), [Bob](#), [Bob W.](#), and [Daniel](#) are very much appreciated.

To our parking lot volunteers: [Lee](#), [Nadine](#), and [Lisa](#) (and the folks from CMA), thank you for showing up early to line up the bikes and being hospitable and social. We had several new faces and you clearly made them feel welcome.

To our audio/video crew: [Tim](#), [Miladys](#), and [Caleb](#), we were so thankful that there were no glitches at all! Everything went smoothly with sound and Pro-Presenter and we have tons of pictures and short video clips to sift through.

To the volunteers serving in the lobby: [Sandy](#), [Twila](#), [Nora](#), [Isabel](#), [Ernie](#), [Teresa](#), and [Kristi](#), we were so proud of how you took care of keeping records, greeting the guests, ensuring they had their tickets in the appropriate bucket, meal wrist bands, signed waivers, and products to shop. You handled the guests with such care and were so friendly and accommodating to each and every situation – and we know there were many! You all are so organized and impressed many! Thanks to [Ray](#) for picking up ice and to the many student leaders passing out the drinks. Thanks to [Lynne](#) for being our "floater", helping out wherever needed.

To our breakfast crew: You all had to get up early and ensure the coffee and donuts were ready to go, even considering so many bikers would arrive about an hour early. [Bob](#) not only went to Fort Myers to pick up fresh glazed Krispy Kreme donuts all by 7:30am, but he also donated them and even additional yummy donuts for the volunteers. [Holly](#), [Lana](#), [Deborah](#), and [Tricia](#) you not only arrived early to ensure the coffee and donuts were set up but you also oversaw all the volunteers (many of them younger, lol). We were thankful that our student leaders from Faith Life Kids were able to volunteer and be so helpful. The breakfast service went off without a hitch! In addition, most of our breakfast crew volunteered all...day...long!

The pit stop went smoothly! Juan was in place with plenty of cool water bottles for everyone! It was a relaxing break and photo op for all the riders.

To our lunch crew of about 15 volunteers: It was so pleasing to see all the long planning effort produce such wonderful results! Lunch was a true highlight of the Rally - both for those eating in the sanctuary as well as those distancing who chose to eat outside. A special thanks to Sherry Raulerson for going all the way to Ft. Myers to pick up the food from Mission BBQ and to [Holly](#) for overseeing the food preparation – we received many compliments on the food! You put in a long day and it was very much appreciated. The kitchen serving line went quickly, again evident of the excellent preparation as well as the courteous serving by the volunteers. There were lots of volunteers for lunch, and we thank you all so much!

The bathrooms never ran out of supplies nor even appeared to need cleaning, thanks to several volunteers who pitched in to check the restrooms often.

To our bike judging and prayer team: Sergio, Luis, [Caleb](#), Anna, and [Carol](#) – you did a great job judging and praying while the others ate their meal, just as was planned. We were thankful that FLY was able to help in this capacity. Who would have thought that the last bike being prayed over by [Carol](#) and Anna would be won by [Carol's](#) daughter? What a blessing!

To our giveaway crew: [Lisa](#), [Nadine](#), and [Sandy](#)- you made the giveaway portion of the event a smooth and seamless operation. We had more giveaways than we've ever had, yet spent less time giving them away than probably any other Rally we've had.

And a sincere thanks to those of you who were able to stay to the end and clean up: [Becky](#), [Teresa](#), [Deborah](#), Juan, Sherry, Donna, [Tricia](#), [Kevin](#), and [Lynne](#). You all must have been quite tired but you stayed (praise God!) to help stow away all the extra supplies and food, clean up the entire building, and take out all the trash. Now to decide what to do with all the leftovers, LOL.

We really appreciate all the donated tables, coolers, trash cans, roasters, coffee makers, etc. You all put your heart, possessions, and many even put your finances into this event. We are so proud of our volunteers for allowing God to use your gifts to bring souls into the Kingdom. Outreaches that produce results do so because Spirit-led people allow God to work through them to plan, promote, and execute ministry in excellence. May the Lord richly bless you all with great rest, relaxation, and multiply your time, gifts, and finances sown.

We love you all and rejoice in the fruit this outreach produced!!
