

Classical Music Retreat by Sangeet Shiromani Pt. Mohan Lal Mishra Kala Kendra (A Unit of Sw. Pt. Bundi Maharaj Sangeet Vidyapeeth) & Saraswatipur Tea Resort

Workshop conducted in October 2021

Saraswatipur Tea Resort

What is a Classical Music Retreat?

A unique opportunity of learning and understanding Hindustani Classical Music, with like minded students in the set up to a Gurukul. Amidst nature and with no pressing demands of our day to day life, one can immerse themselves completely and take their music to a higher level.

Why attend a retreat?

इवार इदधकन is a तुपुप लुकेकं पंतुपु and cannot be mastered in a music class four times a month, with measured time with the Guru. The depth of the subject mandates a deeper level of participation, which is when the Guru opens his treasure box and shares nuances and answers questions. When such an environment is created within a retreat it becomes conducive for learning.

Who can participate?

Beginners and seniors alike, with an interest in Hindustani Classical Music can attend. Sangeet is about "संग", which is when students of varied seniority levels come together, they learn from each other and raise the overall learning experience of the workshop.

Our first workshop was conducted in October 2021. Opening registrations for Workshop Series II. Join us, and become a part of our musical family. Limited Registrations only.
