

# COASTAL AUTHORITY CARE FOUNDATION 2021 ANNUAL REPORT

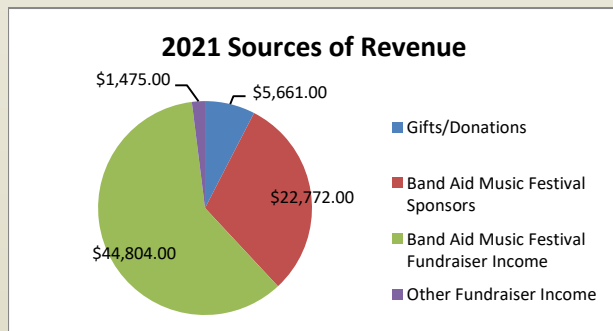

## OUR MISSION:

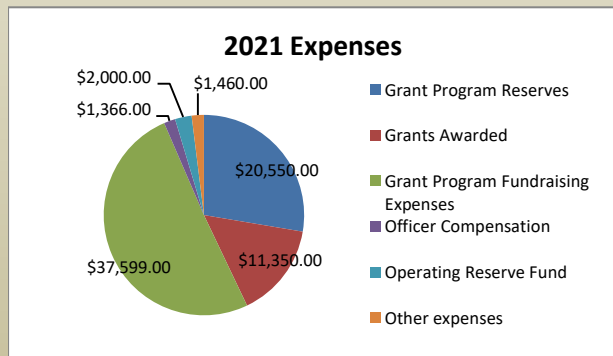

Coastal Authority Care Foundation, Inc. is a nonprofit corporation organized and operated exclusively for charitable purposes, specifically to provide grants to veterans with service-connected injuries, especially the “invisible wounds” of mild traumatic brain injury, post-traumatic stress disorder and chronic pain. Our Emerging Therapies Grant program helps pay for cutting-edge medical therapies, such as hyperbaric oxygen therapy and neurotherapy, that is not covered by insurance, which may provide symptom relief to help restore quality of life and ultimately, help prevent veteran suicide. Additionally, we may also provide grants to veterans, their spouse or other accompanying family member to help pay for travel and lodging expenses associated with treatment.

### 2021 FINANCIAL HIGHLIGHTS

- **REVENUE:** Band Aid Music Festival is our primary grant program funding source. Gross revenue from sponsorships, ticket sales and other fundraiser income equaled \$67,576.

- **EXPENSES:** 94% of our expenses are for our grant program. Nearly all fundraising expenses are from Band Aid Music Festival.
- Our officers have been volunteers since we started in December 2015. The board of directors approved a 2% stipend for officers in 2021.

### SUCCESS STORIES:

**1. “My name is Dale. I am a 23-year veteran of the United States Navy. Since I started [hyperbaric oxygen] treatment, I have seen significant improvement in my sleeping habits, drooling from my TBI has decreased considerably and scar tissue itching has improved.”**

**2. Bill, USAF Colonel (retired) 24 years – Bill suffers from chronic pain as a result of injuries from a helicopter crash and this was what he had to say following his 30 sessions of neurotherapy: “I remain at the lowest pain levels I've had since the crash and off pain killers because the pain is manageable for the first time in over a decade. Coastal Authority Care Foundation and the team at NEUCOA made this possible - thank you so much!**

**Fundraising: We raised \$31,900 for our grant program from Band Aid Music Festival, our biggest fundraising event of the year. 2022 will be our third year for this event. It features 10 bands (local and national), food trucks, drinks, artist vendors, camping and a live auction.**

Attendees doubled from approximately 400 in 2019 to 800 in 2021 and we expect 1500 in 2022. The \$31,900 in proceeds translates to about six full therapy grants of \$5,000 for either hyperbaric oxygen therapy or neurotherapy. Not only does this event help us fund our grant program but it allows us to highlight the incredible talent we have in the area as well as support local businesses.

Band Aid Music Festival 2022 is June 3-4 at the Holiday Trav-L Park in Virginia Beach. For more information, visit:
