CLOSING OF CLUBHOUSE AFTER RENTAL

1. Trash must be bagged, closed tightly and taken out to the shed area.
2. Chairs and tables must be put back the way they were found - renters do their own set up.
3. Tables must be wiped down. Floor must be swept.
4. Kitchen floor, counters, stove and refrigerator (if used) must be wiped down and cleaned. Do not leave food in the refrigerator.
5. Bathrooms must be left clean and doors must be LOCKED FROM THE CLUBHOUSE side.
6. ALL FOUR (4) Air Conditioners MUST be turned up to 80 degrees when exiting the building.
7. Keys must be returned to the Clubhouse Office by the next business day after the function.
8. Remember, you must depart the area no later than TWELVE MIDNIGHT.

Due to our cleaning supplies disappearing after parties, you will need to bring your own cleaning spray and paper towels.

Please follow all the rules and regulations that were supplied with the application in addition to these closing points.

I have read and understand the above closing of the clubhouse instructions.
