Stella Maris, a Catholic charity supporting seafarers worldwide and part of an international network working in more than 250 ports around the world, provides practical and pastoral care to all seafarers, regardless of nationality or belief. The life of a modern seafarer can be dangerous and lonely, spending up to a year at a time away from home, separated from their family and loved ones and often working in harsh conditions. Stella Maris raises funds to support such seafarers. It relies wholly on voluntary contributions and can only continue to work through the generous donations of its supporters, particularly collections. Today's 2nd collection is for that cause.
