

St Chad's Catholic Primary School

Alverston Gardens, South Norwood

A very warm welcome to St Chad's Catholic Primary School. We are a friendly and nurturing school, and we warmly welcome children and families of all faiths and none.

We offer a broad and varied curriculum, providing many opportunities for sport and educational visits, primarily within London and the surrounding areas. Our location, close to Selhurst Park Stadium, allows us to benefit from strong links with Crystal Palace Football Club and the Premier League.

Our school is vibrant and engaging. Our children are happy, well-mannered, and take great pride in their school. We have recently upgraded all classroom interactive whiteboards to further enhance the learning environment for every child.

We are proud to report that our Year 6 pupils have achieved results above the national average for the past two years, and we are on track to continue this success.

We warmly invite you to visit us and take a tour of the school. I am always happy to meet prospective parents, and you will receive a warm welcome from both staff and pupils alike. Father Ambrose is a regular visitor to our school and serves as a Director on our Board of Governors; I am sure he would be happy to endorse our school as well.

We still have places in Nursery and Reception classes for September 2026 and would welcome visits and applications. Please do contact the school and come and visit anytime. Our good news for this week is that we have had new interactive whiteboards installed in all our classrooms. This will enhance the learning experiences for all our children. We look forward to welcoming you.

Best wishes - Tammy Lawlor - Headteacher
