Are your Patient's in need of a Haircut? Check out 911 Barber!

911BARBER was founded by, and is operated by Branden Davis. He is a 14 year EMS Professional, who is also a passionate barber and patient advocate. Since 2004, he has served Los Angeles and Orange County, CA as an EMT and has held various positions in EMS Operations. With a further background in 911 Communications, he decided to take his passion of cutting hair to the next level, by creating a one of a kind service. 911BARBER is a mobile barber service that caters to individuals with special needs and/or circumstances.

From hospitals and rehabs, to private residences, hotels, and businesses, 911BARBER strives to be the leader in mobile barber services. What makes this company so valuable is the dedication its staff has to providing Legendary Customer Service, with many years of experience in patient care. It's not only a haircut, but it's also about understanding and having empathy for the patients and clients that are cared for. Being able to recall what individuals are going through on a day to day basis makes the experience that much more meaningful for those 911BARBER serves. 911BARBER will come to any facility, at any time, and anywhere in the Los Angeles, Inland Empire, and Orange County areas. Services include haircuts and shaves to keep our friends and family as comfortable as possible while they go about their normal day to day activities. These services can be provided case by case, or by facility contract. Feel free to inquire regarding availability and/or pricing by utilizing the contact methods below.
