THEY'RE COMING!!! Are You Ready?

Southern California soon will have a lot more old people, and that will change everything

In a state known for youth, a recently released report unmask the face of California and reveals we're getting more wrinkled by the minute. The number of people age 60 and older will jump 40 percent by 2030, says the federally mandated California State Plan on Aging.

Kyle Vanderheide

Kyle has been in the Medical Field for over 10 years. He has recently retired as an Emergency Medical Technician protecting the lives of his community with various ambulance organizations and is a current volunteer firefighter on the weekends.

" I am extremely excited to begin this new chapter in my life utilizing my skills and experience to help solve the needs of our seniors in a home car setting. I am extremely passionate in what I do and look forward to working and meeting with all of you soon!"

This Month's Fun Jokes!

□

Q: Where do you learn to make banana splits?

A: At sundae school.

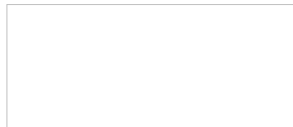

Q: Where do hamburgers go to dance?

A: They go to the meat-ball.

Q: How do you know when the moon has had enough to eat?

A: When it's full.
