Minutes Regular Meeting Nov. 9, 2020

The Town Commission of Hillcrest Heights met for its regular meeting on Monday, November 9th, at 7:00 PM. Those in attendance were Mayor Bishop, Vice Mayor Knight and Commissioners Harmeling and Lee. The Clerk read the minutes of the past meeting and they were approved as read. Commissioner Lee moved to approve the financial report and to pay the bills. Commissioner Knight seconded the motion and all were in favor.

Under old business the Clerk informed the Commissioners that the Cody Villa land that includes the eight homes have been approved by Frostproof and the County. That does come with stipulations about the drive ways and storm water runoff. Nothing has been brought up about the 315 lot RV park across the road.

Under old maintenance issues the Clerk informed the Commissioners that Mr. Fylers lot has been mowed and Brian has put out some weed killer and weed eaten. The Clerk also informed the Commissioners that he had talked with Mr. Fyler's daughter and they will be selling the property.

Under new business was Resolution 2020-03 which is a resolution of the Town Commission of the Town of Hillcrest Heights, Florida adopting the 2020 Polk County multi-jurisdictional local mitigation strategy update. After some discussion Commissioner Knight moved to approve Resolution 2020-03. Commissioner Lee seconded the motion and all were in favor. The Commissioners then discussed the annual town dinner meeting. It was decided that the meeting would be at the Babson Park Women's club on February 4, 2020 at 6:30 PM.

Under new maintenance issues to discuss was about the water issue in front of Mr. Treadway's driveway at 80 Regal Court. The Clerk will have Brian look at this and see what he thinks needs to be done to take care of the issue. Mr. Treadway was at the meeting and appreciated the town's help with this situation.

Due to no further business the meeting was moved to adjourn by Commissioner Lee and seconded by Commissioner Knight and all were in favor. The meeting adjourned at 7:45 PM.
