Minutes **Regular Meeting** **Oct. 5, 2020**

The Town Commission of Hillcrest Heights met for its regular meeting on Monday, October 5th, at 7:00 PM. Those in attendance were Mayor Bishop, Vice Mayor Knight and Commissioners Harmeling and Lee. The Clerk read the minutes of the past meeting and they were approved as read. Commissioner Knight moved to approve the financial report and to pay the bills. Commissioner Harmeling seconded the motion and all were in favor.

Under old business the Clerk informed the Commissioners that the budget has been completed and mailed to the Department of Revenue. The Clerk then informed the Commissioners that the dock we had been discussing that was at 926 Manghum Road did have a permit and the dock was not oversized.

Under old maintenance issues the Clerk informed the Commissioners that Mr. Fylers lot has been mowed but Brian still has to put out some weed killer and weed eat.

Under new business was our meeting with the Polk County Sheriff's Office. We were very pleased with their coming and also pleased with the information they shared with us. The map they shared us showed there was very few issues in our area.

Under new maintenance issues to discuss was about the new plants in front of Town Hall. Brian did a good job and it looks great. We are still having an issue with runoff at 140 Britton Street. The new owners at 41 Britton Street want to put in another driveway on the east side of their

property. This was okay with the Commissioners as long as it is permitted and done correctly.

Due to no further business the meeting was moved to adjourn by Commissioner Lee and seconded by Commissioner Harmeling and all were in favor. The meeting adjourned at 7:35 PM.
