Minutes Regular Meeting March 9, 2020

The Town Commission of Hillcrest Heights met for its regular meeting on Monday, March 9th, at 7:00 PM. Those in attendance were Mayor Bishop, Vice-Mayor Knight and Commissioners French, Harmeling and Lee. The Clerk read the minutes of the past meeting and they were approved as corrected. Commissioner Lee moved to approve the financial report and to pay the bills. Commissioner Harmeling seconded the motion and all were in favor.

Under old business the Clerk informed the Commissioners that the Hillcrest Lodge septic and parking are still an issue but it is much better. The Commissioners then discussed the parking ordinance. After much discussion the Commissioners agreed that the Mayor and Town Clerk need to get together and work out the wording we need for the parking in the yard problems we have. The Commissioners all agreed to bring this up with their opinions at the next meeting.

There were no old maintenance issues to discuss.

Under new business Nathan Adams came to the meeting to discuss the \$40,000 upcoming renewal with Citizens Financial Group. After much discussion Mayor Bishop made the motion to go with the Morgan Stanley option with CFG. The motion was seconded by Commissioner Lee and all were in favor. Next the Commissioners discussed the situation on the new homes being built on the lake and what we need to do to help protect the quality of water on Crooked Lake. This company is also planning on a large RV/Mobile Home Park that is on the property just across the road. At the present time this will all be on septic tanks and all of

this runs down hill to the lake. We will continue to be looking into this as it progresses.

There were no new maintenance issues to discuss at this time.

Due to no further business the meeting was moved to adjourn by Commissioner Harmeling and seconded by Commissioner Lee and all were in favor. The meeting adjourned at 8:18 PM.
