

BPR Method™ Journey

STAGE 2 : Discovery Day

Discovery Call Day. Ann and I will discuss how the BPR Method™ Certification / Co-Branding opportunity aligns with your goals. Put our 52 years of combined experience to work for you. We will reveal the special sauce of the BPR Method™ brand and how our business model respects the autonomy of your practice while providing a proven whole-body clinical approach based on a cash system. Financials and Zip Code availability will also be discussed at this stage.

STAGE 4 : Launch

Publication of your practice on our searchable provider database. You will put out a press release and schedule an open house. You will send an email to existing patient database regarding new whole-body clinical approach with re-activation and procedural incentives. Begin your Social Media posting with the BPR Method™ brand. Continued training in all areas of BPR Method™ implementation on a monthly basis for the next 24 months. Estimate launch date no later than 60 days from contract completion.

STAGE 3: Onboarding

Contract has been signed and License purchased. You are now an official BPR Method™ Provider. We will facilitate corporate partnership onboarding with TOG and LightForce Laser with appropriate training for you and your staff. On site training is available at your facility or at our Corporate Headquarters. Co-Branding with BPR Method™ logo will begin with marketing materials, social media, banner, signage, google listing modification, access to Corporate Google Drive granted. Certifications with RockTape will begin and supplemental training for treatment protocols. Initial T-shirt and supplement order placed and delivered. Estimate completion between 30-45 days.
