

"Bonding Homes, Not Just Tiles."

Quality is silent. But it shows in every corner you walk on.

About Us

At PARAM INDUSTRIES, we specialize in high-performance tile solutions designed for modern construction needs. From precision tile spacers to premium epoxy grouts available in vibrant colors, our products ensure flawless finish, unmatched durability, and easy application. Whether you're building a house or creating a dream home, we're here to support your craftsmanship with quality you can trust.

PEPOXY

Epoxy Grout

NIGHT EPOXY GROUT 2K

2-Component Radium Epoxy Grout is a premium-grade, night-glow tile grout designed to add both beauty and functionality to tiled spaces. Specially formulated with luminescent pigments, it absorbs light and emits a soft glow at night — providing enhanced visibility, safety, and a striking visual effect. Ideal for decorative walls, designer floors, swimming pools, pathways, and luxury interiors, Radium Epoxy Grout offers exceptional chemical resistance, stain-proofing, and long-lasting strength. Whether it's aesthetic appeal or practical performance, Radium Epoxy Grout lights up your space — literally.

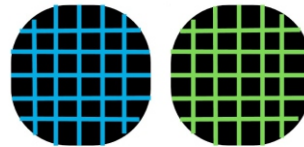

Features

- Glow-in-the-Dark Effect
- High Bond Strength
- Stain & Chemical Resistant
- Waterproof & Non-Porous
- Two-Component System
- Ideal for Decorative & Functional Use
- Smooth Finish
- UV & Heat Resistant
