Checklist for Applicant

To assist you in this process, we are providing a checklist to help ensure that you've submitted all the necessary documents.

Did you...

- Review the architectural guidelines.
- Complete the application.
- Contact the ARC for questions.
- Include all the necessary signatures from others if applicable.
- Collect supporting documents including sketches, blueprints, paint and material samples, etc.
- Make copies of the forms and the supporting documentation for your records.
- Submit the application.
- Note when to expect a decision from the ARC.
- Understand the procedure for submitting an appeal.
- Move forward with your project.
