

Paws n' Relax Newsletter 2023

Hello, everyone!

I would like to thank you all for an amazing three years so far. I have some very exciting news to share...

Paws n' Relax will be moving to its very own building on June 1st!!!

Our New Place!

Our new address is **536 Federal Rd in Brookfield**, only 1.5 miles away from where we are currently located. It is directly across the street from Lang's Auto, and there is a tree trunk that is carved into the shape of a lightbulb located at the bottom of the driveway, so you know that you are in the right place.

There are three parking spaces in front of the new building and additional parking to the left, where there is also green space for your dog to use. Please remember to pick up after your pet and use the waste station outside to drop off your pets "doggy bags."

Some Additional Changes

Pricing: As we are moving and in line with rising costs of supplies, I will have to charge more for larger breeds (this includes doodles). Smaller breeds will remain the same. This will go into effect starting June 1st.

Hours: Good news! We will now be open more during the week. Starting in July, we will no longer be taking appointments on Sundays. This excludes any Sunday appointments already scheduled.

Payments: In order to make payments easier for everyone, I will soon be accepting credit cards. There will be an additional charge to pay with a credit card. You are still more than welcome to pay via cash or check.

New Staff Member: We are hiring a bather on Saturdays to accommodate additional weekend clients. This means that there will be no more than 2 dogs at a time in the salon so that it remains one-on-one time with either the groomer (Carly) or the bather. *Dogs who have special accommodations or that need to be completely alone will either be scheduled first thing in the morning or as the last appointment of the day.*

Locked Door Policy: We will be implementing a locked door policy to keep us and your pets safe. Please either knock or send a text to let us know that you have arrived for drop off and pick up.

I cannot wait to see you all in the new space and continue to give your pets the best quality care!

Thank you,

Carly Brennan
