

Paws n' Relax Newsletter 2022

I want to thank all of my amazing clients for their continued support and trust in caring for their beloved pets. Paws n' Relax is coming up on its second-year anniversary this May and has grown so much since it first opened up in 2020. That being said, inflation rates have increased dramatically in all industries recently, and sadly they are now impacting the grooming world. The cost of supplies including shampoo, blades, bandanas, bows, etc. has risen substantially. In order to keep providing the highest quality of services, Paws n' Relax will increase prices by about 8% (\$5). I understand that this may affect some clients financially, but I hope that we can continue business together and get through these hard times. Starting on March 1, 2022, the new pricing for all grooming services will go into effect. Please let me know if this will cause an issue for you and your pet financially so that I may adjust my schedule and roster accordingly and help you find a groomer that fits your budgetary needs.

I have taken the time to develop a new set of policies that will also go into effect starting March 1, 2022. All clients will be issued a copy and expected to read them and return a signed copy to be kept on file. This is to ensure the safety and comfortability of all client's pets going forward. If there are any concerns, please reach out to me and I will be happy to address them with you.

Again, I want to thank each and every one of you so much for your continued support in using Paws n' Relax for your dog's grooming needs. I look forward to growing with you and serving your pet with the best grooming care in the many years to come.

With love,
Carly
