Tuition

Tuition for Education After School program is FREE. Tuition is supported through an OPI after school grant. This program will be funded through OPI for two years.

Enrollment Requirements

Due to a high demand for quality after school enrichment programming for Park County learners, we require 85 percent attendance each 4-week session to be re-enrolled for additional sessions, if arrangements aren't made prior to absence.

Behavior Expectations and Culture

Educatio staff invests a lot of time to create and build a culture of safety, compassion, and community for all students. A large focus of the programming is wellness and leadership, social emotional learning, and healthy relationship building. If your child has needs beyond our resource capacity to meet their social emotional learning needs while maintaining a safe environment for all learners, we will notify parents and guardians to make changes and may potentially request that other arrangements for after school programming be made.

Questions and additional information can be directed to allison@vicenzi.org.

COVID Safety and Prevention

Educatio will continue to monitor the impact of COVID-19 in our community and follow the guidance of local health department to mitigate spread and keep our students, staff and their families safe. Understanding that conditions can shift rapidly, Educatio will remain flexible to adjust to prevailing conditions and continue to enforce prevention measures and strategies to the extent possible. **Our top priority is to keep students, staff and families safe and healthy and to prevent school closures.** Please refer to our COVID Safety Protocol form more information on parent and school response protocols.

Daily Schedule for After School Program

Educatio offers our after school program Monday through Thursday from 3:30 p.m. until 5:30 p.m.
