Certificate for Learn Active Consultancy Services to GIZ Support to PIDA

To whomever it may concern,

This is to confirm that the company Learn Active consultancy successfully performed consultancy services to the GIZ Support to PIDA Project (*Programme for Infrastructure Development in Africa*). The specific project included *E-Learning: Development of Instruments, Course Design, and implementation. This E learning Programme is to train users of the Service Delivery Mechanism to support early-stage project preparation on the African Continent.*

The consultancy services were implemented from May 2021 to December 2021. The work was completed in conformance with the quality standards set out and in accordance with the terms of reference and associated deadlines. Throughout the project an exceptional level of advice and support with respect to E Learning methods and approaches was exchanged with all project role players.

Kind regards,
