Institute of Carbon Management'Conference of Science Engineering & Technology

Hilton Downtown Toronto

10th June 2024

About Us

Welcome to the Institute of Carbon Management's Conference for Science, Engineering, and Technology (ICM-CSET), your premier destination for cutting-edge research and innovation in the fields of science, engineering, and technology. At ICM-CSET, we are committed to providing a dynamic platform where students, academics, and industry experts come together to share their latest discoveries, insights, and breakthroughs.

Our mission at ICM-CSET is simple: to foster collaboration, inspire creativity, and drive innovation in the pursuit of advancing knowledge and solving real-world challenges. We believe in the power of interdisciplinary exchange and the transformative potential of collective expertise.

As part of our commitment to promoting academic excellence and knowledge dissemination, ICM-CSET offers participants the opportunity to showcase their research and findings through presentations, posters, and interactive sessions. Moreover, selected contributions will have the chance to be featured in our digital magazine, providing a platform for wider dissemination and recognition.

Beyond academic and professional development, ICM-CSET is also a hub for networking and forging meaningful connections. Attendees will have the chance to engage with peers, mentors, and industry leaders, fostering collaborations and opening doors to new opportunities.

Whether you are a student embarking on your academic journey, a seasoned researcher pushing the boundaries of knowledge, or an industry professional seeking insights and inspiration, ICM-CSET offers a unique and enriching experience for all.

Join us at ICM-CSET and be part of a vibrant community dedicated to advancing science, engineering, and technology for a brighter, more sustainable future.

Event Title and Theme:

"Institute of Carbon Management's Conference for Science, Engineering, and Technology "

Join us for an immersive exploration of the latest advancements and innovations in science, engineering, and technology at the ICM Conference on Science, Engineering, and Technology. Discover cutting-edge research, engage with industry experts, and connect with fellow enthusiasts in the heart of Toronto, Canada's vibrant hub of innovation.

Date and Location:

Date: June 10th, 2024

Location: Toronto, Canada

Mark your calendars for June 10th as we convene at the bustling metropolis of Toronto for the Canada Conference on Science, Engineering, and Technology. The event will take place at Hilton Toronto, conveniently located in the heart of downtown Toronto. Get ready for a day filled with insightful presentations, dynamic discussions, and exciting networking opportunities amidst the vibrant backdrop of Canada's largest city

Submit your abstract

Abstract submissions are welcome until the deadline on March 20th, 2024. Following submission, your abstract will undergo assessment and review by our dedicated review board. Upon acceptance, you will receive a notification via email, granting you a month to finalize and submit your full paper by April 1st, 2024. Notification of paper acceptance will also be communicated via email. Additionally, prior to the conference, presentation submissions are required. Abstracts can be submitted to info@thexerocarbon.com. We look forward to receiving your contributions!

Important dates

- 20th March 2024 - Abstract Submission Deadline
- 1st April 2024 - Article/ Paper Deadline
- 10th June 2024- Conference day!

Type of participation	Fee
Student Presenter	\$110
Industry Expert Presenter	\$160
Listener	\$50
