

Calling All Dog Breeders — Spend a weekend with

# Myra Savant-Harris

Saturday & Sunday, September 10 -11, 2022

9-5 Saturday, 9-1 Sunday

Lake Oswego, Oregon

Myra Savant-Harris has had a lifetime of passion for the reproductive process and a lifetime of experience in breeding. She's had decades of hands-on experience breeding dogs as well as other animals. She was able to spend her career doing the thing that she loves most, as a labor, delivery and Neonatal ICU nurse. She has literally written the book (books, actually) on canine reproduction and whelping and puppy intensive care. And she generously shares her knowledge and experience with dog breeders. Anyone who breeds dogs should hear Myra.

Come join us for this wonderful two day seminar, covering the male reproductive system, the female reproductive system, whelping and puppy care. She will be covering troubling illnesses, including Canine Herpes Virus. Additionally, Myra's merchandise will be available at the seminar.

Coffee and snacks will be provided both days. Lunch will be included on Saturday. The Cost of the 2-day Seminar is \$155/person. Seating is limited, so register early.

Here is a link to the registration form:
