Snow Removal Services

# ROSECLADE

We're excited to announce that **Wilson Park Condo Association** has **partnered** with **RoseClade LLC** for snow removal and de-icing this **2024-2025 winter season**, ensuring safe, clear paths for all residents.

## OUR SERVICES

### Snow Removal

Comprehensive clearing of driveways, parking lots, and sidewalks starting as early as 4:00 AM during major snowfalls.

### De-Icing

Application of rock salt or specialty de-icer to reduce slip risk.

Seasonal Coverage Includes 23 snow pushes, with additional pushes available upon request and approval from WPCA.

Our quality, and staff make our services your best choice.

## Resident Responsibilities

To ensure effective and timely snow removal, we kindly ask residents to:

- **Relocate Vehicles:** Please move vehicles into designated areas or garages by 4:00 AM on snow days. Any blocked areas will be skipped, and missed services due to obstructed access will be billed to the association.
- **Clear Personal Items:** Remove any personal items such as planters or furniture from designated snow removal zones to facilitate smooth operations.

## What You Can Expect

### PROMPT COMMUNICATION

- RoseClade LLC will send out email notifications each time a snow push occurs, including an updated push count for the season and any additional notes on the service.

### SAFETY COMMITMENT

- Our team follows strict safety standards. However, we urge caution as surfaces may still be slippery after treatment. Please inform family and visitors to exercise caution.

### SERVICE LIMITATIONS

- Snow removal is limited to designated clearing zones only. Any relocation or disposal of snow beyond these areas will require prior approval and may incur additional fees.
