

VISION

LOVE THE LOST
TRAIN THE BELIEVER
SEND THE DISCIPLE

We believe that the heartbeat of God is people, all people. As such, the Church should be made up of all people, who loves all people and reaches all people.

 - Support, Sending

We believe in: Connection, Community and Collaboration which causes change to culture.

This means that we will connect as a Church and be united in a cause which will create a community that draws in others to belong. This connected community will collaborate with each other to develop our God-given gifts. When we develop together, this will cause a change in the culture around us; in our homes, neighborhoods, workplaces, communities and cities.
