# Prescription Drug Savings

# United Networks of America

## Prescription Drugs

- Members will have access to savings between 15% to 60% off the retail price of generic drugs and 10% to 25% off the retail price of brand name drugs at over 68,000 participating pharmacies nationwide including Safeway, CVS, Duane Reade, Wal-Mart, Target, Walgreens, Rite Aid and many more.
- Members have access to an interactive website that allows users to locate the nearest participating pharmacy and accurately check the current costs of drugs. Even if members have prescription benefits through a health insurance carrier, a comparison of costs between the two programs should be performed to determine the most savings.
- By utilizing this powerful tool, members can make educated cost-saving decisions.
