

SOP – Stewardship Campaign

Approved June 12, 2024

Each year a Stewardship Campaign shall be conducted in the church. The campaign including verification of pledge amounts and contact with those members who were not present on Stewardship Sunday, should be completed no later than mid-October so that the Council can be sure they will present the congregation with a balanced budget and include the proposed budget in handouts for the November Business Meeting.

The Director of Budget and Finance will head up the Stewardship Campaign. The Director will appoint the members of the Stewardship Committee.

Stewardship Sunday will be the last Sunday in September.
