***Call to Worship**

L: We come with different stories, different gifts, different things
to offer.

C: And there is room for all of us here.

L: God does not ask us to bring what belongs to someone else.

C: God asks us to bring what is ours to bring.

L: Our time. Our compassion. Our courage. Our generosity. Our lives as they are.

C: We bring what we have, trusting God to use it for love.

L: So come with open hands and willing hearts.

C: We are here. We are ready. Let us worship God.

Postlude Marni Wiggins

We exist to reflect the love of Jesus so that others may experience God's love as we grow together in faith, love and service

Love Made Real

Church giving is not about proving how faithful we are.

It is about deciding what kind of community we want to become.

A place where no one is forgotten.

A place where children learn they are loved.

A place where grief is carried together.

A place where hungry people are fed, lonely people are noticed, and hope is given room to grow.

Every gift becomes part of that story.

**Not because money is the heart of the church,
but because love always finds a way to become
something real.**
