**Practice Makes Perfect – Right?** - The students and instructor are working hard each week to perfect their routines and put on the absolute best performance. A Practice video is available for some younger classes to practice at home. Here is a link to a google drive accessible to anyone with the link to which your children can practice with. Middle school age and teens are encouraged to practice also.

### **Pictures** – PHOTO GALLERY FOR ORDERING

Link available soon: <https://bijoublue.shootproof.com/gallery/coastsidedance2025>

To access the gallery please enter your email address and password: **dance**. Albums are in alphabetical order by first name. The password for your child's album is the **number in your street address**. For those who do not have an address on file, use the password **123** to access your child's album.

**Videos** – You are allowed to take your own personal video of the dancers and show. Please be considerate of those around you that are also wanting to take videos and watch the show. Please do not come close to the stage for photos. It is distracting to the dancers as a safety issue. Use the zoom option on your camera phone instead.

### **SET!** – “It’s almost Showtime!” **PROPER GROOMED LOOK**

**Dancers will not be allowed on stage unless they appear recital-ready and polished. Please follow the following standard practices.**

**HAIR for the SHOW** - Please make sure all **hair is in a low bun (Unless class decided High Bun for bow-check with teacher)** with hair out of the face. Short Bangs okay. Use Gel/hairspray. Accessories are securely pinned to your dancer's head with all dancers matching on the same side of the head. Short bangs above eyebrows are okay, but long bangs should be pulled back with bobby pins. **Hair buns only**. Hip-Hop dancers may wear hair in two long braids **ONLY** for the hip-hop dance.

Hair requirements. Example Video  [How To Make A Perfect Ballet Bun](#)

**Hair Bun for all Ages Dollar Tree sells hair donuts.**

**MAKE-UP for the SHOW** – **\*\*BODY SKIN SHOULD BE NATURAL No TATTOOS or STICKERS or COLORED NAIL POLISH . REMOVE Tattoos WITH BABY OIL prior to the recital!** Before the recital, please apply make-up to your child at your discretion. For younger children, a small amount of eyeshadow, a little pink blush, and some pink-red lipstick will help their beautiful facial features to be seen from the audience. For older children, eyeliner and mascara are recommended as well. Make-up should be slightly exaggerated to be seen from the audience.

We would like the stage make-up to be very natural and child friendly. Eye shadow of your choice. Our dance students use a **Super Stay 24 lip color called Continuous Coral**. You can buy it anywhere but here is a easy amazon link <https://amzn.to/4ajydSI>

**Shoes & Tights & Costume** – **Please LABEL EVERYTHING.** **NO underwear Under tights.** Dancers should arrive in their first costume and know what costumes to wear for each dance. **\*\*Don't forget your hair accessories and props-Star Wand.\*\*** Dark Tan Revolution studio tights only must be worn. some shoes for the stage if needed. Do not wear other style or color shoes for a dance. Clean your dance shoes with magic eraser. \*\*The RECITAL T-shirt is a souvenir of the show and can be worn at the cast party, after the show or to school to promote your dancer being in a show.
