

Lassen COVID-19: Incident Command

Daily Update FOR IMMEDIATE RELEASE

DATE: 3/29/20

RELEASE #: 1 of 1

To date, the Lassen County COVID-19 (novel coronavirus) total tests are as follows:

0 – Positive
24 - Negative
9 - Pending
33 – Total Tests

As the weekend comes to a close, please keep in mind that practicing social distancing is important. If possible, staying home is recommended. Local businesses that remain open have worked hard to modify their business practices. As they have implemented changes, each person should do his or her part as well. If there is a need to venture from home to purchase essential goods, consider the following when available:

- Call ahead with your order for curbside pick-up or ease of shopping.
- Use drive thru access for meal pick up.
- Check with stores for special hours for elderly.
- Have a list and keep your trip short.
- Use hand sanitizer and wash your hands when you get home.

There are many resources available for the community on www.lassencares.org under the Resources tab. Several local churches have created online access to worship services. Many have recorded services that can be accessed at your convenience on YouTube. Information for these services can be found in the Resources tab under "Church Services." In addition for those families with children, check out the "Child and Family Activities" in the Resources tab.

For additional information and updates, please visit our website at www.lassencares.org and the LassenCares Facebook page. If you have any questions regarding COVID-19, please call the Lassen County COVID-19 call center at (530) 251-8100 Monday through Friday 8:00 am to 5:00 pm.
