This is just a reminder that Governor Newsom signed an Executive Order N-33-20 on March 19, 2020, asking all California residents to stay-at-home if they are not part of critical infrastructure sectors. The order is in place until further notice. It covers the entire state of California, and only exempts activity as needed to maintain continuity of operation of the federal critical infrastructure sectors, critical government services, schools, childcare, and construction, including housing construction.

To remind residents, the following services are not recommended to close per the Governor's Executive Order:

- Gas stations
- Pharmacies
- Food: Grocery stores, farmers markets, food banks, convenience stores, take-out and delivery restaurants
- Banks
- Laundromats/laundry services
- State and local government, including law enforcement and offices that provide government programs and services. Some have modified operations to reduce public interaction.

The following services are recommended to modify or close per the Governor's Executive Order:

- Dine-in restaurants
- Bars and nightclubs
- Entertainment venues
- Gyms and fitness studios
- Public events and gatherings
- Convention Centers
- Hair and nail salons
