

Lassen COVID-19: Incident Command

DAILY UPDATE FOR IMMEDIATE RELEASE

DATE: 4/2/20

RELEASE #: 1 of 1

TIME: 5:00 PM

To date, the Lassen County COVID-19 (novel coronavirus) total tests are as follows:

0 – Known cases
37 - Negative
5 - Pending
42 – Total Tests

The most important part of defending our community from the virus is preventing its spread. Each family should try to adapt all aspects of their lives to include the guidelines for social distancing, including trips to the store. It is recommended that each family limit the number of individuals going out in public in order to protect family members and the essential personnel working to keep the stores stocked. In an attempt to encourage social distancing, Susanville Supermarket IGA is offering curbside pickup and online ordering on their website: <https://www.susanvillesupermarket.com>. They ask that patrons do not bring their bags from home, at this time, to help reduce the risk to the employees and the store.

On March 31, 2020, Governor Newsom released his new campaign “Stay Home. Save Lives. Check In.” This campaign urges all Californians to check in on the members of their community who are 65 years or older. Governor Newsom said, “The most important way for older Californians to stay safe is to stay at home. No older Californian should be forced to go outside to get groceries or their medication. It’s on all of us across the state to check in on the older adults in our lives – our friends, family and neighbors – to help them during this outbreak.”

For additional information and updates, please visit our website at www.lassencares.org and the LassenCares Facebook page. If you have any questions regarding COVID-19, please call the Lassen County COVID-19 call center at (530) 251-8100 Monday through Friday 8:00 am to 5:00 pm.
