Pulaski Area Veterans Monument

Chairman: Jim VanLannen

Treasurer: Mike Hughes

Secretary: Keith Werner

Trustees: Pete Martineau, Lee Ullmer

Richard Piechocki & Mike Matuszak

WEBSITE: Pulaskiveterans.org

Executive Meeting Date: Oct 7th

OLD BUSINESS

- An open item for the monument is the epoxy coating on cement footings. To be done when available.
- An update on tank display. Village agrees to move forward with application process. US Rigging is willing to relocate the tank when needed. Cost will be determined once we know where the location of the tank currently is. Ullmer Dairy is willing to store the tank at their location until the placement of the display is ready.
- Helicopter displays are hard to get. There are 300+ organizations that are looking for this type of display. This may take many years to complete. Adding the tank display will not affect our placement on the helo wait list.
- New checks ordered and name has been changed to reflect only the monument.

NEW BUSINESS

- Motion to accept the revised draft vs 2 with current changes – passed.
- Motion to purchase 4 USB drives; 2 each to the treasurer and secretary for record maintenance – passed.
- Motion to hold a public meeting for all Veterans groups to voice themselves – Dec 16th @ 6:30pm; to review and accept the proposed draft 2 of the by-laws - passed.
