

Department of Wisconsin
Noble Ninth District

Believe it or not spring is near. We are receiving reservations at PO Box 305, Forestville WI 54213 for our District Spring Meeting on April 11th at The Woods in Green Bay. This will be a Legion Family joint event.

The Department "Paradise Cash" raffle tickets are being sold if you want to turn tickets in contact your District Vice Commander. Sales of these raffle tickets will continue until Department Convention at Appleton in July.

CONSOLIDATED POST REPORTS

Dates are coming in:

2 Apr 2026 CPR Reports need to be given to County Commander

3 Apr 2026 Report CPR Reports need to be given to District Commander

15 Apr 2026 CPR Report needs to be given to Dept Cmdr Nathan Bond

We have the honor of hosting National Vice Commander Stephen Weismann's visit. See the attached schedule of times and places Stephen can be met at during this visit to our District.

Looking forward, The Legion Riders will be driving their route for the 2026 Legacy Ride which will come through the 9th District this year with stops in Sturgeon Bay at Post 72 and Green Bay at Post 11 and Seymour Post 106.

The 9th District has fallen to 6th in Department membership. Keep doing those buddy checks. Although a Buddy Check has nothing to do about reminding members about membership showing we care for our veterans has everything to do with what we do as members. See the attached March Madness membership contest.

Remember Department is down to 3 full time people. So if Posts need anything reach out to us, your District Vice Commander or myself or our Adjutant Renee, first to see if we can handle questions within our "Chain of Command" and especially to help out with membership recruiting events.
