

Polish Legion of American Veterans, U.S.A. Emblem

- The Wreath -** Memory of the brave comrades who gave their lives in the service of our beloved country, that we may enjoy the liberty.
- The Star -** Symbol of 300,000 Americans of Polish descent who served in the Armed Forces of the United States in World War I.
- The Blue Arc -** One of the cardinal purposes of the Polish Legion of Americans, U.S.A. in rehabilitation of our disabled comrades.
- The Red Arc -** Denotes the care of the widows and children of our deceased comrades.
- The American Flag -** Our membership will safeguard the honor of the Flag of our Country under which we have proudly served.
- The Polish Flag -** Remembering the cultural heritage, tradition and achievements four forefathers and their contribution to the American way of life.
- The Ruptured Duck -** Symbol of the 900,000 Americans of Polish descent who served in the Armed Forces of the United States in the battles all over the world.
- The Shield -** Denotes the devotion and loyalty and a true conception of Americanism.
- The Words -** Polish Legion of American Veterans bands the membership to devote their efforts as a living monument to over 3,000,000 Americans of Polish descent who served in all of the wars and conflicts of the United States since the Revolutionary War, of whom many thousands have made the supreme sacrifice for their country by giving their lives.
