ADMISSION TO HOSPITAL

The patient or a relative should give the declaration below to ward staff to ensure the patient can see a chaplain. This can also be arranged by a verbal request to staff. This is necessary due to confidentiality rules: the Catholic Chaplain is not informed of the admission of any Catholics so ward staff need to be asked to inform him by the patient or by someone close.

Patient's Religious Declaration

I am a Roman Catholic. While a patient in hospital, I wish to exercise my human right, as enshrined in the European Convention on Human Rights, of practising my Religion.

I request that the Roman Catholic Chaplain be informed of my admission to hospital, and that I receive a visit from the Roman Catholic Chaplain.

I give explicit consent for this information to be made available to the Roman Catholic Chaplain and I would request that this document form part of my personal case notes.
