

# Couture Strings

## *A Premier Orange County Professional Ensemble*

Couture strings can perform ANY song we have music or access to. Check out our audio demos for some of the classical selections listed below. We can play contemporary or classical music of any song that is special to YOU! Feel free to reach out to us with any special requests. If we can find music for it, we can arrange and play it for you.

Prelude Music (15-30 min prior to wedding start time in contract): Please feel free to leave this part of the ceremony up to us. We will play a variety of classical and contemporary music on our list. If music is not on our list, please send us a PDF or the piano or sheet music and we can arrange it to the ensemble of your choice.
