

What our customers are saying...

Mr. & Mrs. Thompson, Ohio

"We tried gutter covers from the big box stores and we were very disappointed. Pro Flo has solved all our clogging issues, and we are very happy with it."

Mr. & Mrs. Hargitt, Oklahoma

"Our neighbors referred us to a contractor who installs Pro Flo, and we are so glad they did. The Pro Flo on our house has solved our foundation issues."

Mr. Spraggs, Florida

"I walked outside during a very heavy rain and watched Pro Flo take all the water in coming down the roof. I am very happy with it."

Mr. & Mrs. Stinson, Virginia

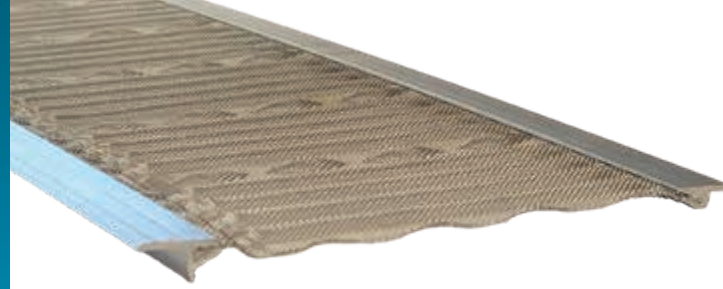

"There are many trees in our yard, and I was tired of cleaning out the gutters constantly. Since we had Pro Flo installed, it is no longer necessary to climb that ladder up to the gutters."

Mrs. Korte, Tennessee

"I had a very expensive gutter guard installed I saw advertised on tv constantly. It looked nice when it was installed but failed within a year. Pro Flo is a much stronger stainless-steel mesh and performs far better."

Mr. & Mrs. Gibbs, Texas

"We tried a stainless-steel gutter protection product we picked up at the local warehouse club and it just did not work, so we had Pro Flo professionally installed and are pleased with the cost and the performance."

The end to clogged, overflowing gutters!

- No more gutters to clean
- No more ladders to climb
- Pro Flo keeps your gutters free-flowing
- Adds years of life to your gutter system
- Professionally installed by a factory trained contractor

Cleaning gutters is hazardous, dirty and time consuming.

Pat. Pending U-Bend Technology

Pro Flo's U-Bend technology helps prevent water from running over your gutters.

Stainless Steel Mesh

A sturdy stainless steel mesh, keeping debris out of your gutters.

Strong Aluminum Extrusion

ProFlo is manufactured with strong aluminum that expands and contracts with your gutters.

45-year warranty

Another product from U.S. Aluminum, a leading manufacturer of quality aluminum rain gutter products. It is a warranty you can depend on.

Frequently Asked Questions

Will I have to replace my gutters?

No! Pro Flo can be installed on 5" or 6" gutters. Unless damaged, there is no need to replace your existing gutters.

Will Pro Flo work with metal, shake or tile roofs?

Yes, Pro Flo is installed on top of your gutters. It performs well with any type of roof material or roof pitch.

Will anything clog Pro Flo?

No, the stainless steel mesh allows only water to enter your gutters. Your gutter will always remain free flowing.

Will Pro Flo work during heavy rainfalls?

Pro Flo can handle record rainfall amounts.

Will Pro Flo work when covered with wet leaves or pine needles?

Yes! Testing shows Pro Flo's filtration system keeps working even when covered by wet leaves and debris.

How long will Pro Flo last?

Manufactured with strong aluminum extrusion and stainless steel mesh, it will never rust, rot or distort. WE GUARANTEE IT!
