

## Wall-Mounted Solar Light

**LED Capacity: 120W / Effective Power: 20W**

### Features:

- Lighting effective power: 20W.
- Luminosity: 3000Lm.
- 6063 pure aluminum integrated molding + Anti-UV PC lens.
- High-capacity and long-life 32650 LiFePO4.
- Many lens light distribution options.
- Over 3 nights, lighting after full charge.
- Easy to install, auto on/off.
- It has high corrosion resistance.

**Product code:**  
**SR-STG701-H120W-20**
