

# Full Planning Service

A Wedding Planner is most frequently a person who can take charge and plan the details of a wedding from start to finish. The couple looking to hire a Wedding Planner is still involved. All of the legwork is left to the planner and the couple can trust a professional to make the arrangements for them. The couple will have the Planner with them on all appointments and can rest assured that etiquette, budgeting and creative ideas are brought to them in a professional manner. The most luxurious of all packages; this service will yield a stress free experience and the true feeling of being a guest on your wedding day.

Starting at  
\$4500
