LIMITED BENEFIT INDEMNITY PLANS

Mark E. Marek earned my life, health, disability license with the State of Texas in 2007. From 2004 to 2012 I worked as a investment advisor to individuals. From 2013 to 2016 I worked as a tax and financial advisor to sole proprietors, micro and small employers. In 2016, I founded Affordable Medical Insurance Solutions LLC in 2016 to provide qualified, affordable, insured, ppo health (medical, dental, vision) – disability – life benefits to sole proprietors and micro/small (2-100) employer groups. In 2017 I earned my property & casualty license with State of Texas. Since 2016 I have developed and managed health – disability – life benefit plans for sole proprietors, micro and small employer groups. Since 2017 I have brokered property and liability insurance plans for my clients. Since 2017 I have brokered workers compensation insurance plans for my benefit clients. Since 2022 I have developed pension and retirement plans for my clients

I am appointed with the underwriters and administrators that provide my clients with unique, customized solutions that provide the lowest available cost to be fully insured for major medical events, short and long term disability, and healthcare benefits for injuries and illnesses.

My “turnkey” health benefits plan development process includes extensive consultation and underwriting of all members of a group or sole proprietorship to identify the lowest cost plan that meets or exceeds the requirements of the member and owner/employer. I provide underwriting, enrollment, accounting, member advocacy, plan development and administrative services. I am actively involved in continuously reviewing plans for cost reduction and benefit value enhancing strategies.

My underwriters for property, liability, bonding, workers compensation are Assurance Plus Inc, Renegade Insurance, Stuckey Insurance, CPro Associates, Inc, Texas Mutual Insurance.

I am appointed with Lafayette Life Insurance Company for fully-insured pension and retirement benefits.

I am actively involved in continuing education and participate in 100+ hours of CE annually for health, disability benefits, property and liability insurance, pension and retirement benefits.

I am certified for Medicare sales by the Center for Medicaid Services (CMS). NPN #8285159.

I am certified as agent/broker for www.healthcare.gov .
