

DON'T DARE ^{TO} GO BARE

WORKERS' COMPENSATION PROTECTS YOU, YOUR EMPLOYEES AND YOUR BUSINESS

Going *bare* without workers' compensation or choosing an alternative policy could leave you with gaps in protection if one of your employees is injured on the job. Or worse, it could cost you your business.

PEACE OF MIND

Workers' compensation takes care of your employees if they are injured on the job. It can pay medical bills, lost wages, benefits and more. These expenses can be your responsibility if you choose a cheaper alternative to workers' compensation.

PREMIUMS ARE LOWER THAN EVER

According to the Texas Department of Insurance, workers' compensation rates have decreased by 63 percent since 2005. Now is the time to get unmatched protection at an even better price.
