### Membership Rules:

I agree to abide by the Northland Agility Policies & Rules, and I understand that violating these rules may result in a loss of my membership and any monies paid. In addition, I agree to abide with the additional rules of the membership listed on this application.

Northland Agility is a positive training facility. Please treat your canine friend with respect and be sure that both of you have fun. Always end each session on a positive note. Be sure to take time to play with your dog and use positive reinforcement for training. Shock Collars are NOT permitted.

I understand that during free sessions, there may be other members attending and I agree to limit my time on the floor to no more than 5 minutes per dog and use a rotation schedule based on first come first serve basis.

I will not move the heavy equipment without the approval of a representative from Northland Agility to avoid any damage to the floor.

Do NOT adjust the heat without approval of a representative from Northland Agility.

Be sure all lights are turned off when you leave the building and the doors are securely locked.

Dogs in heat are NOT permitted in the building.

I have agreed to and signed the Northland Agility Liability Waiver and agree to hold harmless Northland Agility.
