

HOLLIS BRICKWORKS

WHAT IS HOLLIS BRICKWORKS

BrickWorks is a family friendly service program hosted at Hollis, that helps sort & break apart donated legos. Partnering with the [THE GIVING BRICK](#), a Kansas City based non-profit that collects used LEGO bricks, repackages sets, and gives them children served by [CASA of Jackson County](#).

Through out the summer families joined us at Hollis to experience the joy of working together as a community to serve others. During our BrickWorks service hours, we sort through donated LEGO bricks and break apart already assembled LEGO pieces.

All attendees are welcome to bring sack lunches or snacks, and explore the trails & hills of Hollis before or after the service event.

WE WANT TO MAKE SURE ALL FEEL COMFORTABLE AND SAFE.

We are Taking Careful and Deliberate Steps

We are welcoming up to 30 people at one time, and asking guests to book a table. Each table can accommodate up to 6 people, and we are allowing only 5 tables to be set up. If you have more than 6 people in your party, please book another table. We are allowing 30 minutes between each session, this will allow our staff to clean & disinfect the space prior to the next group.

Safety Precautions

To keep our guests safe we will have the following available.

- Disposable face masks for each guest
- Hand sanitizer
- Restrooms stocked with hand soap & paper towels
- Tables situated 6 feet apart. Each table will be reserved for an individual party to use

Who Can Attend? Is there a Fee?

This is a FREE kid-friendly, as well as a kid-at-heart event. All ages are welcome. This includes preschool kiddos! We would appreciate a heads up if you are coming. Register below. *Parents, please plan on staying with kids ages 10 & under.*

Where Does this Take Place?

BrickWorks events are hosted either in the [Picnic Shelter](#) or the [Hollis Lodge](#) at Hollis Renewal Center. We are located just south of the Kansas Speedway. Exit I-70, at the 110th Street exit and head south and follow the signs. Click [here](#) for directions & map.

When is it Offered?

Summer 2020: August 4th
Time TBA

Follow us on Facebook & Instagram for announcements.

What is the Giving Brick?

From the [Giving Brick Website](#), We are Kansas City-based, non-profit organization collecting used LEGO R bricks to give to kids in need., We take LEGO bricks in any condition. If you have LEGO pieces or sets you would like to donate to a worthy cause, please send it to us!

We will have your old LEGO items clean and part of an official LEGO set before you can say "Everything is Awesome!"

What Should I Bring?

We will be providing popsicles for all the volunteers. We will have water available.

If you would like to stay for a picnic lunch, after the service activity, feel free to bring a sack lunch.

If you plan on hiking the hills, we do recommend bringing bug spray, and dress weather appropriately.

Do I Just Show Up?

There is no fee to attend, but until social distancing guidelines change, we will need you to pre-register.
