Teak Decking

Notes on our Teak Decking:

- Bavaria Yachts started to convert all teak decks with wood from Myanmar to plantation teak in July 2021.
- Since September 2021, all teak decks at Bavaria Yachts have been made exclusively from FSC®-certified plantation teak.
- The plantation teak used does not come from Myanmar or Asia.
- The origin is Central America. Only wood from legal sources can receive/have an FSC® certificate.
- The plantation teak supplied is selected and is comparable in quality to Myanmar teak.
