

Median PA salaries by State

Data in the report is based on a survey of 13,682 physician assistants between Feb. 1 and March 1, 2020

The PA median annual base salary in each state and the District of Columbia are listed below, in descending order. The list includes ties at Nos. 3, 5, 10, 14, 16, 19, 27, 33, 39, 42, 45 and 47.

Please keep in mind that states with High cost of living may result in a lower net take home pay even if then have higher salaries. Make sure to account for state income taxes, housing costs, local taxes, sales taxes etc.
