"I've taken both my Dawggies (Jack & Eddie) for daytime & overnight visits! They both loved seeing her or 1 of her hosts (Pam), feeling special & receiving personalized attention! I'm thrilled Kaitlyn offers bath time because I've never felt comfortable giving either of my Dawggies their baths! Her fees are excellent as well, quite a bit less than I've paid other companies! We love her & her Hosts, they're always our 1st choice!"

"I'm not gonna lie I had many reservations about boarding her new puppy. She's only a pound and a half a teddy bear puppy, but Kaitlyn took such good care of our Josie. We receive picture updates & text messages letting us know about her new stay away from home. When we returned he was still our little happy, healthy tiny ball of joy. Thank you for everything"

"We love KEENonPetCare!! I recommend her to all my friends & family!"
