THE KEY GOALS OF THE ART & WINE HOP:

- **Market Oakhurst as an Artistic Destination:** Showcasing the unique talents of artists like you helps establish Oakhurst as a vibrant and creative community. It's a key element of letting people know that we are so much more than just a gateway to Yosemite.
- **Give Locals and Tourists Something Fun to Do:** Your participation provides an enjoyable experience for both residents and visitors, enriching our community culture.
- **Create a Reason to Do Art:** Events like these inspire artistic expression instead of just doing art for yourself.
- **Keep the Trolley:** This may be the last year for the trolley if we can't incentivize more riders, so your support is crucial.
- **Build Brand Awareness:** This event is an opportunity to attract new audiences to your work, sparking interest that can lead to future sales and support.

To maximize the benefits of this event, we recommend the following:

- **Market Your Specific Destination:** Use social media platforms like Facebook, Instagram, and TikTok to highlight your work and location before and during the event. Tag @oakhurstarthop on Instagram and Facebook. Our aim is to reach both the local community as well as a broader audience that may not know you.
- **Gather People's Email Addresses:** Building a mailing list can help you stay in touch with potential buyers and fans.
- **Promote Yourself:** Let people know where they can find you during art hop, year round or during the Sierra Art Trails to keep the momentum going.
- **Display smaller, affordable pieces:** This is a "teaser" event, so showcase a few originals, along with prints, cards, or any merchandise. People will be traveling and looking at many artists so smaller impulse purchases are better. Simplify your set-up to make it enjoyable and stress-free.

DAY OF SET UP

PLEASE BE SET UP BY 4:45 AT THE LATEST AND STAY UNTIL 8PM

Creating a successful art booth is about more than just showing up—it's about creating an inviting experience. Keep your display clean and eye-catching with easels or stands to add dimension. Use clear signage for your name, prices, and payment options. Be approachable—smile, make eye contact, and share the stories behind your art. Have business cards or flyers on hand, and offer multiple payment options like cash, card, or mobile apps. Bring snacks and water, and stay present (not on your phone). Include a guest book or email sign-up for future connections. Most importantly, have fun—your energy draws people in!
