NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

Becoming a Certified Nursing Assistant (CNA) is the student's responsibility. PMCI does not offer a CNA Certificate but only offers the necessary training to be eligible for certification by the State of California. The transferability of credits you earn at

PMCI before becoming a CNA is at the complete discretion of an institution to which you may seek to transfer. Acceptance of a PMCI Certificate of Completion is also at the complete discretion of the institution to which you may seek to transfer. If the PMCI Certificate of Completion is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at PMCI will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending PMCI to determine if your Certificate of Completion will transfer.

PMCI'S RIGHT TO CANCEL/SUSPEND/TERMINATE AND MAKE CHANGES

The school may cancel, suspend or terminate the Enrollment Agreement at any time if the undersigned student violates any of the following policies and/or agreements:

- Failure to maintain satisfactory academic progress.
- Failure to comply with the school's attendance policy.
- Failure to comply with the school's student conduct policies.
- Failure to meet all financial obligations to the school.
- Violation of any of the conditions as set forth and agreed to in the Enrollment Agreement.

The school also reserves the right to change or modify the program contents, instruction, curriculum, clinical time, equipment, staff, or materials as it deems necessary. Such changes may be necessary to keep pace with technological advances, to cooperate with clinical training venues, to replace instructors who are not available and to improve teaching methods or procedures. In no event will such changes diminish the competency or content of any program or result in any additional charges to the student.

REFUND POLICY

"STUDENT'S RIGHT TO CANCEL"

P.M.C.I shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. If a student wishes to cancel/terminate the enrollment agreement or withdraw from the institution, the student must notify the school. Written and/or verbal withdrawals are acceptable.

If the student withdraws from a course after instruction has started, the student may receive a pro-rated refund for the amount of instruction paid for but not received. *Refund calculations will be based on the day a withdrawal letter is received. NOTE: A student is charged for an entire day not by the hour.* Any materials that a student has paid for but not received will be refunded in full. A class day is about \$84.00 per day.

No refunds will be given if the student has attended more than 60% of the course and the student concerned will still be liable for any tuition due. Also, if the student has received federal student financial aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds.

The school reserves the right to cancel or reschedule a class start date due to insufficient enrollment. If this occurs, the student may request a full refund of all money paid less the registration fee, or apply all money paid to the next scheduled class start date.

All refunds will be paid within 45 days from receipt of cancellation or withdrawal letter or the date the institution terminates a student for breach of attendance, conduct, academic and/or financial policies. If an applicant never attends class (no-shows) or cancels the contract prior to the class start date, all refunds due will be made within forty-five (45) calendar days of the first scheduled day of class or the date of cancellation, whichever is earlier.

I have read and understand the Refund Policy

Student's rights and responsibilities with the respect to the Student Tuition Recovery Fund

It is now a state requirement that a student who pays his or her tuition is required to pay a state-imposed assessment for the Student Tuition Recovery fund.

"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capital Oaks Drive, Suite 400, Sacramento, CA 95833
1 (916) 431-6959 or 1 (888) 370-7586."

To be Eligible for the STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an education program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out-plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has

been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number."

SPECIAL REQUIREMENTS FOR GRADUATION AND COMPLETION

The following requirements must be met by a student in order to qualify for a Certificate of Completion of the Nursing Assistant Training Program and signed document necessary for State examination:

- **Achieve a cumulative grade of "C" or higher in academics (75%), and a satisfactory grade ("S") for clinical.**
- **Attend 100% of the scheduled hours of the program for theory and 100% of clinical. Makeup provided at \$50/day.**
- **Complete all designated requirements (tests, assignments, etc.) of the program.**
- **Satisfy all financial obligations to the school.**
- **Abide by all school policies and the attendance agreement.**

DISCLAIMER OF EMPLOYMENT GUARANTEE

While the school offers job placement assistance and referral, the school cannot, in any way; guarantee employment after the student has successfully completed the program of study. Likewise, the school does not guarantee that the student will pass the necessary national or state examination necessary for obtaining a license or certificate.

LIQUIDATED DAMAGES RELATED TO DEFAULT AND MATERIAL BREACH OF CONTRACT

Upon completion of the Certified Nursing Assistant (CNA) Program at PMCI and after PMCI has performed all of their obligations under the Enrollment Agreement by providing the undersigned student with the agreed upon nursing education; and also, if the student leaves with a monetary balance, the student shall be responsible for continual remittance of monthly payments pursuant to the installment agreement addendum and personal guarantee incorporated herein by reference. The parties hereto acknowledge and agree that failure to pay the agreed monthly sums due under this Agreement(s) for more than 90 days shall constitute a default and material breach of this Agreement giving rise to liquidated damages and not penalties. The parties further acknowledge that (i) the amount of loss or damages likely to be incurred by PMCI is incapable or is difficult to precisely estimate, (ii) the amounts specified bear a reasonable proportion and are not plainly or grossly disproportionate to the probable loss likely to be incurred by PMCI and (iii) the parties have understood the terms of this Agreement and were negotiated at arm's length. Accordingly, the student agrees to pay liquidated damage at three times the balance amount owed under this agreement, or addenda (such as an installment agreement) incorporated herein by reference. The Default Amount, together with all other amounts payable hereunder, shall immediately become due and payable, all without demand, presentment, or notice, all of which hereby are expressly waived, together with all costs, including, without limitation, legal fees, and expenses of collection, and PMCI shall be entitled to exercise all other rights and remedies available at law or in equity.

PMCI and the student both expressly agree and consent that the exclusive venue for the resolution of any dispute relating to the subject matter of this Agreement shall be in the state and federal courts located in Ventura County, California.
