

# Central Ohio Hiking Club

## Senior Hike

### Quarry Trails Metro Park

February 12, 2022 @ 11 a.m.

Miles: 3    Level: 1.5

#### Directions to Hike

In as few vehicles as possible, meet at Quarry Trails' Millkin Falls parking lot at 11 a.m. GPS might not work so input park's 2600 Dublin Road address. When you cross RR tracks on Roberts Rd., instead of going straight into park, turn right on Dublin Road. Shortly after passing a subdivision on the left, turn left into the Millkin Falls parking lot. If you end up on Trabue Road, you've gone too far. Parking lot is small. Park manager Ryan said overflow cars can park along a construction road beyond where you turn into the parking lot but not past the construction gate.

#### Restrooms:

1 portable potty near parking lot and a few other singles in park.

#### Hike Description:

We descend steps to the lovely falls then walk around two lakes, across a boardwalk and up toward the north area, where you can see where the quarry is still active, and maybe glimpse the man-made mountain bike trail. We then loop back.

#### Suggested items to Bring:

Water, hiking boots, and poles or cleats if you think there will be ice. Dress for the weather.

#### Lunch/Dinner location and directions:

COVID-pending, of course. Olive Garden, 5450 Renner Road, Hilliard. About 4.5 miles (10 minutes) west of falls parking lot, via Trabue Rd., which becomes Renner. We need to call them with headcount by noon.

Leader: Wendy Dial    Sweep: Jan Boomershine
